

One windy and cold night. Lots of noisy crocodiles met at the big lake. The nasty crocodiles were meeting to plan to attack the frog familie. They were hungry .The frog called Hopper listened to Snappy quietly. He found out about the plan Snappy had made. Snappy plannd to trick the frogs. He invited them to a lake disco party. But, he wanted to eat them! When Snappy invited Hopper he said yes. But he did not actually go and they had there own party on the darck green lili pads. Hopper and the frogs had a good time. So Snappy was angry and he was rilay mad and still hungry. He had to have grass for dinner. The frogs were happy and Hopper becam the clervest of them all.
