

Websites to Support Home Learning

Maths

[whiterosemaths.com](https://www.whiterosemaths.com)

Contains free maths tutorials (videos), work and answers for each year group.

General Resources

www.twinkl.co.uk

Resources for the whole curriculum. Sign up for free using the code UKTWINKLHELPS

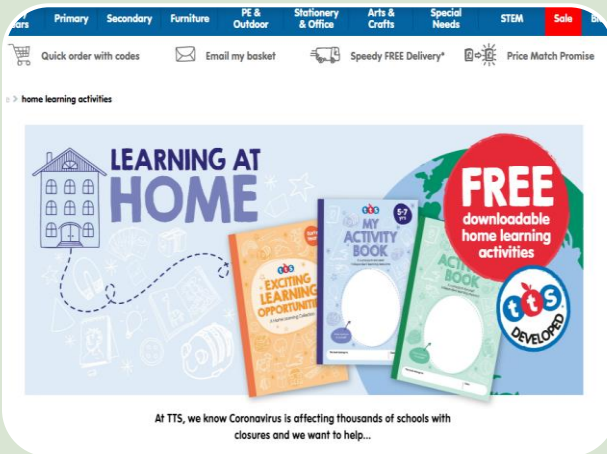

Phonics

www.phonicsplay.co.uk

Resources created to support children with their phonic acquisition. Free for the duration of the close.

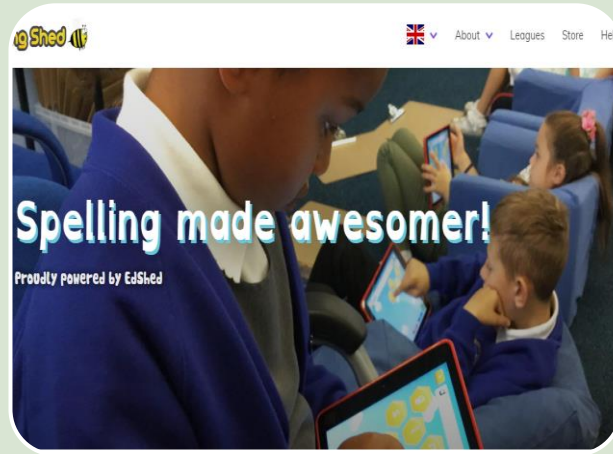

Username: march20
Password: home

General Resources

[tts-group.co.uk](https://www.tts-group.co.uk)

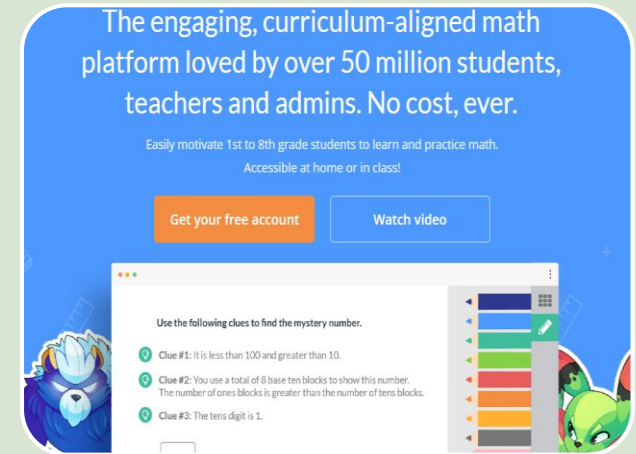

Free downloadable booklets containing resources for the whole curriculum.

Spellings

[spellingshed.com](https://www.spellingshed.com)

A free 14-day trial (extended for the school closure period) of resources to support children learning to spell.

Maths

[prodigygame.com](https://www.prodigygame.com)

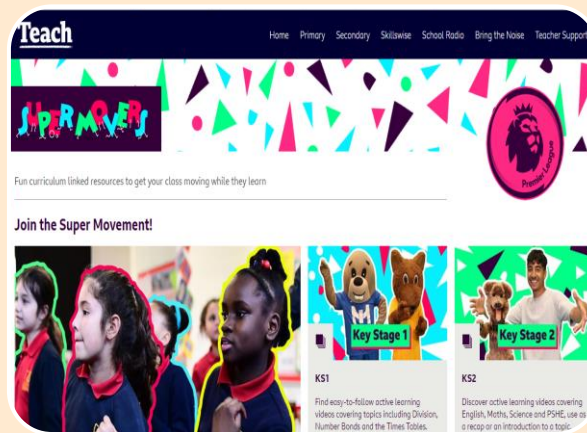

A free to play website where players can create an avatar and battle monsters through solving maths questions.

Phonics

phonicsplay.comics.co.uk

Specifically designed comics designed to support children with practising the phonics they have been taught.

General Resources

BBC.co.uk/teach/supermovies

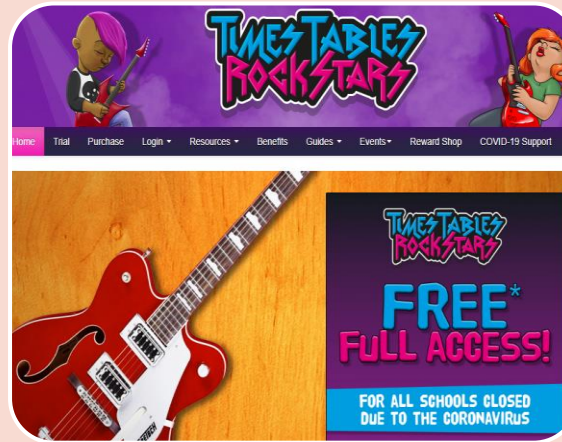

A BBC website with curriculum linked resources to get children moving while they learn

Maths

mymaths.co.uk

The online platform the school uses for maths homework. This will be updated with work during the school closure. Please check in regularly for work.

Maths

[numberfunportal.com](https://www.numberfunportal.com)

Resources to support maths. Includes songs to learn key concepts and provides parent information sheets.

Free 30-day trial.

Maths

[ttrockstars.com](https://www.ttrockstars.com)

A fun online platform to support children learning their multiplication tables. All children have usernames and passwords already set up. Please email the office if you have any issues.

General Resources

[scholastic.com/learnathome](https://www.scholastic.com/learnathome)

An American website that provides day by day projects to keep children learning.
