Complaints Policy

Mission Statement

St Augustine of Canterbury Catholic Primary School provides an education that inspires and nurtures God's children to succeed to their full potential as we are...

"Created by God to love and learn"

Complaints Policy

1. Introduction

- 1.1 The school's values are concerned with meeting the needs of pupils, parents, staff and others who have a stake in the school. The Governing Body believes that constant feedback is an important ingredient in self-improvement and raising standards.
- 1.2 We believe that our school provides a good education for all our children, and the Head Teacher and other staff work very hard to build positive relationships with parents/carers. However, we recognise that there are times when the school does not perform at its best. For this reason the school has procedures in place for when parents have a concern or a complaint.
- 1.3 The following policy sets out the procedure that the school follows in such cases.

2. Aims and Objectives

- 2.1 Our school aims to be fair, open and honest when dealing with any complaint. We give careful consideration to all complaints and deal with them as swiftly as possible. We aim to resolve any complaint through dialogue and mutual understanding and, in all cases, we put the interests of the child above all other issues. We provide sufficient opportunity for any complaint to be fully discussed, and then resolved.

3. Consultation

- 3.1 Parents/Carers, staff and members of the Governing Body were consulted in drafting this policy.

4. The Complaints Process

- 4.1 If a Parent/Carer is concerned about anything to do with the education that we are providing at the school, or their child's experience of school, they should, in the first instance, discuss the matter with their child's class teacher. Most matters of concern can be dealt with in this way. All teachers work very hard to ensure that each child is happy in school, and is making good progress. They always want to know if there is a problem so that they can take action before the problem seriously affects the child's progress. Parents/Carers are invited to be accompanied by another parent or one of the school's Governing Body when they discuss their concern with the class teacher.

- 4.2 Where a Parent/Carer feels that the situation has not been resolved through contact with the class teacher, or that their concern is of a sufficiently serious nature, they should make an appointment to discuss it with the Head Teacher. The Head Teacher considers any such complaint very seriously and investigates each case thoroughly. The Head Teacher will make and retain written notes of any meeting. Most complaints are resolved at this stage. Parents/Carers are invited to be accompanied by another parent or one of the school's Governing Body when they discuss their complaint with the Head Teacher.
- 4.3 If the parent/carers is not satisfied with the action taken by the Head Teacher, or the complaint is about the Head Teacher, they should make contact with the Chair of Governors through the school office.
- 4.4 The Chair of Governors will ask the Parent/Carer to put their complaint in writing using the official complaint form (appendix 1) stating the nature of the complaint and how the school has handled it so far. The Chair of Governors will acknowledge receipt of the complaint letter or form within three school days of the Chair receiving it. The Chair of Governors has the right to refer the matter to the Education Service, or relevant issues to the Clifton Diocese, if this is deemed preferable to it being dealt with by the Governing Body.
- 4.5 The Chair of Governors will convene a complaints panel of two or three school governors or FGB Committee Members who have no prior knowledge of the complaint and no prejudice in the matter. Within ten school days of the Chair of Governors receiving the letter/form the panel will invite the complainant to attend a meeting to discuss the complaint. This gives the opportunity to explain the complaint in more detail. Within fifteen school days of the meeting with the Parent/Carer the panel will gather information as it deems necessary.
- 4.6 After collating and hearing all the evidence, the Complaints Panel will consider their decision and inform the Parent/Carer about it in writing. The Parent/Carer will receive notification of the outcome within twenty school days of the meeting.
- 4.7 Parents/Carers will be advised if there is to be any unavoidable delay in dealing with any aspect of the complaint at any stage, and a reason given. It is not always possible to meet the above deadlines bearing in mind Governors are all volunteers.
- 4.8 The outcome and any recommendations made by the Complaints Panel will be reported in confidence to the Governing Body at their next full Governing Body meeting, and the Governing Body will ensure that the recommendations are carried out in full.
- 4.9 All discussions and meetings with the Complaints Panel will be recorded in writing by one of the Panel and will be retained by the Clerk to the Governors for six years from the date of the complaint.
- 4.10 If a Parent/Carer is not satisfied with governors' response to a complaint then they will be referred to the Department for Education.
- 4.11 Where a Parent/Carer approaches the Local Authority with a complaint about the school, they will be advised to first contact the school and to follow the school's complaint procedure.
- 4.12 South Gloucestershire Council Policy states 'A complaint may become vexatious when it has been properly considered and dealt with but the complainant is not prepared to accept the conclusion or persists in making the same or substantially the same complaint'. Continuing with such complaints can unreasonably take up time and resources and detract from the responsibility to others in the school community. The decision regarding whether a complaint has become vexatious will be made by the Chair of Governors on behalf of the Governing Body.

5. Access to this policy

- 5.1 A copy will be made available to all existing Staff, Governors and Parents/Carers.
- 5.2 A copy of the policy will always be available from the school office for Staff, Governors and Parents/Carers to refer to as and when necessary.

6. Exclusions to this policy

- 6.1 This policy does not relate to complaints which fall into the following categories:
 - (i) complaints about admission to the school – refer to the Admissions Policy.
 - (ii) complaints about failure to assess a child’s special educational needs – refer to Care Officer in SEN Team – Education Service Statutory assessments of special educational needs (SEN) - Concerns should be raised direct with local authority (LA).

7 Monitoring and review

- 7.1 The Governing Body will monitor the complaints procedure to ensure that all complaints are handled properly. The Head Teacher will log all complaints received by the school, verbal and written, and record how they were resolved.
- 7.2 The Head Teacher will report the number and nature of complaints to the Governing Body on a termly basis.
- 7.3. Governors will take into account any local or national decisions that affect the complaints process and make any modifications to this policy as and when necessary. Staff and Parents/Carers will be informed of any such changes.
