#### **DISCO FEVER!**

Thank you to our wonderful PTFA who ran our Christmas disco on Wednesday night. Thanks also to all the families that came along to support this festive event. The children had a great time!

Dear Parents and Carers,

As with newsletter 5, we will continue to review the results of our parent survey.

- 11. We are always keen to improve. What could the school do better?
- a) Several comments related to restoring hot meals: We have hot meals now through our new caterers, AIP. Children are very happy with the food served and the school meal take up has increased significantly. AIP asked us to send a questionnaire this week to help them improve their offer. We have asked AIP to offer tasting to parents so that they have a better idea of the meals they can choose with their children and not just baguettes.
- b) <u>Communication:</u> We try very hard to communicate effectively and we are sorry when we fall short. We are always looking to improve communication and inform parents via a variety of channels, i.e. letters, texts, emails, website, phone calls and social media (Instagram). We aim to control the volume of information sent to parents for clarity where possible. We are cautious not to update parents until we are confident the situation will not change, which explains why it might sometimes appear that messages are not sent quickly. Inevitably, things do change and we appreciate that this can be inconvenient. The newsletter remains a very important source of information and key dates, so please do check there. We have also noted that parents wish to have as much notice as possible for events (e.g. to time off) so we have added dates up to June.
- c) <u>Ofsted register for after-school clubs:</u> We ask our providers to seek Ofsted registration so that they can accept childcare vouchers.
- d) <u>More sport</u>: We have listened carefully to feedback. We've introduced a football club and now play in a local league. We have three after school sports clubs led by Signature Sports and tag rugby by another provider. We also had cricket coaching for all classes (with an after-school club) in addition to the 2hrs of PE taught in school per week. We participate in local sporting events led by the school sports partnership, e.g. festivals/MAD Olympiad. We swim weekly in KS2 and children in Years 5 and 6 can learn to ride their bike safely.
- e) More fun: We were very aware that during COVID our chance to enrich the curriculum was limited. We are now able to enhance our learning with trips, including the whole-school start of year writing stimulus. We aim to add exciting and varied events all the time, e.g. Buddy Tea, Samba workshops, CAFOD visitors, mathstermind, spellathon, maths-themed days, conker competition, theme days (e.g. Odd Socks) and chances to celebrate in faith. We encourage children to take positions of responsibility across the school, i.e. House Captains, Chaplains and School Councillors. We canvas the children for feedback about what they want to do for the school, one notable example being the tree class names.

Thank you for your feedback, it is very helpful. We always strive to do the best for our amazing children.

Next week we start our season of Advent. Please refer back to Monday's letter for information about Christmas events. Special thanks also to Oak class parents for sourcing our wonderful tree.

Mhillian

Mr Mark Hilliam, Headteacher

#### Notice of proposed changes to the Olympus Academy Trust Admissions Arrangements for the academic year 2025/2026

The Olympus Academy Trust is consulting on its proposed admission arrangements for the academic year 2025/26.

The consultation will be open from 20th November 2023 to the 12th January 2024.

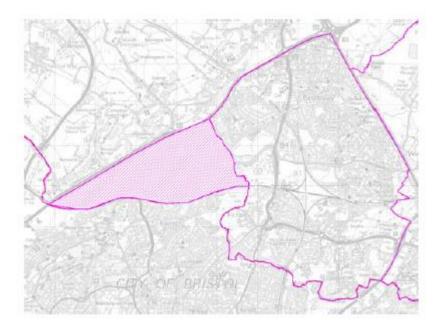

Full draft arrangements for all schools can be read at <a href="https://www.olympustrust.co.uk/Admissions/">https://www.olympustrust.co.uk/Admissions/</a> Paper copies are also available on request.

The main changes are as follows:

- Abbeywood Community School is proposing to increase its Published Admission Number (PAN) for Year 7 from 180 to 240, following a firm commitment from the Local Authority to fund extra accommodation on site.
- Abbeywood Community School is also proposing to remove the Year 10 point of entry, as the extra students in current Years 7 to 9, and the increased PAN from 2025 will mean we cannot continue to take in more students at Key Stage 4.
- Olympus Post 16 Centres propose to reduce their Year 12 PAN for external candidates from 25 students to 5, based on increased uptake from internal candidates and ensuing Health and Safety considerations.
- 4. As part of a Local Authority review of Areas of Prime Responsibility (APR) across the county, Olympus has been requested to extend to the East the existing Shared APR for Abbeywood Community School, Bradley Stoke Community School and Patchway Community School. The existing Shared APR, and the proposed extension, are shown on the map below.

The current Shared APR (outlined in pink) is defined by the M5 motorway to the north, the M4 motorway to the east, then west along B4057 until the B4427 at the Stoke Gifford Civil Parish boundary, then southwards along the Stoke Gifford Civil Parish boundary until Hambrook Lane, then east along Hambrook Lane until the M32 motorway, then southwards along the M32 motorway. At South Gloucestershire Council's administrative boundary it then tracks westwards and northwards along South Gloucestershire Council's administrative boundary until the railway line south of the former Filton Airfield, then northwards along Patchway Civil Parish boundary until the M5 motorway.

The hatched area currently falls within Marlwood School's APR, but it is proposed to move it into the Shared APR for Abbeywood, Bradley Stoke and Patchway Community Schools.

Feedback, comments, queries and requests for copies of the policy should be addressed to:
