

Sport Premium Funding 2015-2016

During the 2015-2016 academic year, our total spend on sports activities and resources will be £14,186 of which Sport Premium funding is £8,959. School expenditure tends to outstrip the premium allocation in line with our belief that sport is an extremely important part of our children's development. Our aims for spending the funding were to:

Our aims for spending the funding are to:

- Raise standards in PE
- Increase opportunities for participation in competitive sport
- Support the running of a sporting network for the local Catholic Schools
- Achieve the Silver Award from the Sainsbury's School Games Mark
- Develop opportunities for Level 1 (intra) School Sport

This is how the funding has been spent so far this year: Sports Premium is listed in red.

Action	Date and Cost	Reason	Impact
Grange Partnership (Premium Funded)	£500 September 2015	To give access to resources, leagues and sporting competitions. To allow PE Co-ordinator to network and link with co-ordinators from local schools. Increase specialist knowledge in a sport.	Children experienced competition in a range of sports, e.g. netball, swimming, athletics, etc., and were able to feel proud representing their team. KS2 children and their teachers will receive coaching in Terms 3 and 4 from a member of Downend Secondary School.
Supply cover to allow teaching staff to take children to tournaments and competitions (Premium Funded)	@£200 Ongoing throughout the year	To enable children, from all year groups across the school, to take part in a range of sporting activities.	Teachers are able to see children from their own class and year group excel outside of the classroom. Children benefit from taking part in sport and are proud to represent the school.

St. Augustine of Canterbury Catholic Primary School

Supply – PE Co-ordinator (Premium Funded)	@£100 Ongoing throughout the year	To enable the planning and organisation of events throughout the year. To share examples of good practice with other schools.	The <i>Catholic Cluster Sport</i> network continues between the local schools, allowing children from all year groups the opportunity to participate in a range of competitive sport and meet other children within the Catholic community.
Development of additional pathways around the KS 2 playground (Premium Funded)	£4560 September 2015	To allow greater room and freedom for moving around the school grounds during playtimes, supporting the children to be more active at play.	Children have more space to run, skip and play which means they are more active during the day.
Football Kit	£300 September 2015	To allow children to have a brand new matching kit to wear when playing team sports. (A Parent kindly donated £250 towards this!)	Children feel a sense of pride and belonging when they are able to wear the same kit while representing their school.
Mat Trolleys (Premium Funded)	£314	Improve storage and access to equipment	Time and resources not wasted. Children can demonstrate improved teamwork and care in retrieving mats.
Upper KS 2 Swimming provision	£3562	To ensure that all children have the opportunity of learning to swim and fulfilling the 25m requirement by Year 6. (We receive around £50 per year in voluntary contributions towards transport to and from Bradley Stoke Pool)	Each class in the upper school attends for a term at a time. Year 6 take priority and children continue beyond their class allocation if they have not met the standard.
Membership of the South Gloucestershire Sports Partnership (Premium Funded)	£75	Allows the school into football tournaments, South Gloucestershire Sports Festival, Swimming Gala etc.	Greater participation in competitive sports playing against more varied opposition.
Successful Bid Process Charges	£1000	Professional bid process charges related to last Year's climbing frames. £500 from school funds and £500 from PTFA. £10,000 secured from the lottery	The children can develop their climbing skills and allows their muscles to grow stronger. Children are learning to take safe risks and show an increased awareness of their environment. Children enjoy the challenge of trying to climb higher than they have before or to find a more difficult route to the top.

St. Augustine of Canterbury Catholic Primary School

<p>Alleviation of KS 1 Playground Congestion (Premium Funded)</p>	<p>£3575 contribution</p>	<ol style="list-style-type: none">1) To create a new play focus area (small World) which will aid communication and negotiation skills in the early years thereby...2) This area will then be freer for more structured skilled play with and without apparatus.	<p>In a congested area with little room for improvement especially in wet and damp weather, children will have more space for running, skipping and small apparatus games – improving their fitness though greater activity</p>
