

Pupil Premium spending at St Augustines of Canterbury Catholic Primary School

2015- 16

What is the Pupil Premium?

Below is a breakdown of how the Pupil Premium funding is spent at St Augustines during the financial year 2015- 16. The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying, equalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most. Pupil Premium is allocated to schools based on the number of children who are either receiving Free School Meals currently, or have done so in the last 6 years.

In the 2015 to 2016 financial year, schools receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,320 for pupils in reception to year 6.

Schools also receive £1,900 for each pupil who has left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

In addition children of service personnel in Reception to Year 6 receive funding, which is designed to assist the school to provide emotional and social support in addition to any academic support needs. The Service Pupil Premium is £300 per pupil.

How are children selected for support?

At St Augustines of Canterbury Catholic School we very carefully assess which children may be considered vulnerable to underachievement. Assessment data is regularly scrutinised to quickly identify any child who is underachieving. Additional support is quickly put in place to support these pupils, including via Pupil Premium Funding. Whilst the school recognises that children eligible for Free School Meals statistically underachieve nationally, this is not always the case and the school will not automatically target Pupil Premium Funding equally towards all FSM pupils, as some achieve as well as their peers and a few achieve higher. Additional support is therefore allocated on a case-by-case basis. For further details of how funding is allocated, please read the school's 'Pupil Premium Policy' in the policy area of the school website.

How is the impact measured?

The impact of Pupil Premium Funding is measured in the following ways:

- All vulnerable children (including FSM children) are closely monitored throughout the year via four Pupil Progress Meetings. During these meetings all teachers meet with a member of the Senior Leadership Team and discuss any child considered potentially vulnerable or underachieving and agree strategies to close this achievement gap.
- The Senior Leadership Team provides data analysis reports to the Governing Body at the end of the academic year which includes comparative data on the performance of children who receive Pupil Premium funding against that of their peers.
- A written report on the impact of Pupil Premium Funding is provided to the Governing body annually.

What was the impact of the Pupil Premium Funding?

This will be reviewed and completed at the end of the academic year.
