

Curriculum

All children are supported to achieve their academic potential. School performance is within the top 30% nationally.

Enrichment

All children have opportunities to participate in extra-curricular activities, represent the school and showcase non-academic skills.

Citizenship

All children are equipped with positive values and behaviours for life. School actively recognises positive contribution and achievement.

Community

All children learn in a safe and inspiring environment. Families and the pre-school are supported by the school.

Faith & Inclusion

All children are supported to feel included and their uniqueness is celebrated.

Resilience

All children are encouraged to live healthily and their wellbeing is supported to ensure high levels of enjoyment and attendance.

The school will deliver a broad and balanced curriculum

Children will make sustained progress
Data will show positive progress from starting point to Yr6 SATS

The percentage of cohort working at Age Related Expectation (ARE) shall be 70% minimum by September 2026

The needs of all children will be met, including Gifted & Talented children and SEND children, and difference celebrated
Additional, personalised support for attainment will be provided where required, with priority on English and Maths

The school will create opportunities for all children to represent their school through provision of extra-curricular activities and after-school clubs

The school will 'bring learning to life' with curriculum-relevant out-of-school trips and invites to inspirational visitors

The school will pursue external grants/awards, taking advantage of its location amongst leading industrial organisations

The school will achieve the School Games Mark award for PE
All children will have opportunity to learn a musical instrument
All children will be IT literate to a defined minimum standard

The school will promote and maintain positive values and behaviours, be consistent in their application and reward and recognise all children who demonstrate them

Children will be given opportunity and encouraged to show leadership in social responsibility and community engagement and be recognised for positive contribution

The school will promote and actively ensure high levels of attendance

Staffing levels, training and skills planning will be maintained to support the education of all children

Safety for all children will always be priority #1
The school will operate safely

The school will engage with the pre-school, local parish and surrounding community and parents to promote a positive impression of the school

The school will support children and families with wrap-around care provision which complements curriculum and enrichment objectives

The school will provide regular, good quality communication to parents and stakeholders, and invite feedback, in a way that achieves maximum reach and engagement

The school will be proud to be Catholic *and* welcome and celebrate different faiths

Children will have opportunity to participate in acts of Catholic worship, or not, if they so choose

The school will value positive, cultural beliefs and home languages

The school will pursue and welcome new admissions wherever capacity allows

Children will be supported to understand and moderate their emotions
Children will be encouraged to eat healthily and enjoy exercise

Children will feel able to speak up when necessary and know where help can be found

The school will achieve Modeshift gold award for active travel

The school will operate in accordance with all relevant statutory requirements
School finances and facilities resilience will be maintained to protect the future of the school
